NSTP CLEAN-UP DRIVE ACTIVITY

The TAU – National Service Training Program conducted a clean-up drive activity on September 23, 2023, within the TAU vicinity. It is due to the unavailability of the TAU Gymnasium and Covered Court in preparation for the university’s hosting of the National State Colleges and Universities Athletic Association (SCUAA) 2023. Also, to help achieve a greener and cleaner campus scene.

This activity is equivalent to one (1) training day of NSTP. In which, the three (3) NSTP components participated in this endeavor.

The Reserve Officers Training Corps (ROTC) students were assigned to the area of the College of Business and Management, TAU – Gymnasium, Grandstand, Barracks, Oval, Tennis and Basketball Court, Swimming Pool Area and TAU – Hostel. While, the Civic Welfare Training Service (CWTS) students were assigned to the area of the College of Education and Laboratory School, and the Literacy Training Service (LTS) students were designated to the areas of the College of Arts and Forestry, College of Arts and Sciences, College of Engineering and Technology, College of Veterinary Medicine, General Services Area, and in Admin Building.

Such activity promotes environmental awareness for every student. This also helps in waste reduction and proper waste segregation. Furthermore, this activity builds teamwork and unity.
