Re: Hospital Discount for TCAAAI Members and Dependents

Gentlemen:

We are pleased to inform you that your request in your letter dated 8 December 2006 for TCAAAI members' discount availment in hospitalization, medical and/or surgical treatment, diagnostic procedures and ancillary services provided for by the Ramos General Hospital has been approved unanimously by the Board of Directors of the CRT Medical & Technological Services Corp. in their meeting held on 15 December 2006.

Accordingly, all active members of the TCA Alumni Association, Inc. and their dependents, upon presentation of a valid TCAAAI ID issued for this purpose, shall be entitled to a cash discount of **FIVE PERCENT (5%)** in excess of their PHIC coverage in their consultation, diagnosis and treatment except for Pharmacy purchases.

It must be noted however, that such cash discount is not extended to TCAAAI members who are enjoying the company initiated benefit and welfare program for CRTMTSC employees and stockholders as well as the Senior Citizens as provided for in R.A. 9257 (Expanded Senior Citizens Act).

We hope that this serves as a hallmark program in our endeavor to promote healthcare for our community.

Very truly yours,

ROMAN L. BELMONTE, JR., M.D., F.A.C.S., F.P.C.S.
President and Medical Director
