

The Bachelor of Early Childhood Education Program conducted a free seminar on *“Establishing Harmonious Home–School Partnerships”* with the theme *“Ensuring the Expectations and Educational Goals of Home and School Setting”* on May 3, 2024, at Cabanabaan Elementary School. Parents and interested stakeholders participated in the activity. Dr. Rene G. Nanit, faculty member of the College of Education, served as the resource speaker.

Dr. Nanit emphasized the role of parents as the child’s first teachers, highlighting the importance of presence, communication, and an enriched home environment in supporting children’s learning and development. He also shared practical do’s and don’ts to guide parents in nurturing and understanding their children. The seminar provided valuable insights and strategies for strengthening collaboration between the home, school, and community. A Certificate of Appreciation was awarded to the speaker at the end of the program.
