Dear **Dr. Salunson**:

Greetings!

The Provincial Government of Tarlac, headed by Gov. Susan A. Yap, is one with Tarlac Agricultural University in supporting sports competitions for our fellow Tarlaquenos to take part in. Through these programs, we are able to discover, hone, and promote our future stars.

The Philippine Sports Commission will be holding its annual **Batang Pinoy National Games** this November 23-28, 2024, and we would like for our young Tarlaqueno athletes to compete in the said event. It will be held in Puerto Princesa City, Palawan, and we have selected a number of sporting events for our delegates, one of which is Athletics.

In line with this, we would like to request your good office for permission to use your Athletics facilities TAU from November 15-19 for the intensive training of our young athletes.

We hope for your positive response regarding this matter.

Thank you and God bless.

Sir:

Greetings of peace and prosperity!

This letter is to formally request permission to use the badminton court of Tarlac Agricultural University on November 07 and 08, 2024. We are requesting the use of the court for the Municipal Meet 2024, a badminton tournament that will be held in our municipality.

We are a group of badminton enthusiasts seeking a suitable venue for our tournament. We have been informed that Tarlac Agricultural University has a well-maintained badminton court and we believe it would be an ideal location for our needs.

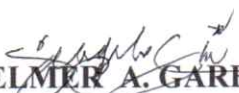

We are committed to respecting the rules and regulations of the court and will ensure that the facility is left clean and tidy after our use.

We would appreciate it if you could grant our request. Please let us know if you require any further information from our end.

Thank you for your time and consideration. God bless!
